For children age 6-11 who have a special loved one with cancer

CLIMB[®] builds on children's strengths;

CLIMB[®] helps normalize feelings of sadness, anxiety, fear and anger for kids;

CLIMB[®] reduces stress and improves communication for parent and child

East Jefferson Cancer Center offers a free, six-week support program **CLIMB**[®] for children who have a parent, grandparent, or special loved one diagnosed with cancer. Meeting on Saturday mornings, our specially-trained staff help demystify cancer, teach coping skills, and provide a safe place for kids to talk about difficult feelings. **CLIMB**[®] also helps parents understand what to expect from their children and improves communication around your cancer diagnosis.

CLIMB[®] is a program of The Children's Treehouse Foundation
